

Bay Nature's 2020 Local Hero Awards

Sunday, March 22, 2020
5:00 – 8:00 pm
Berkeley City Club

Bay Nature: Bay Nature's mission is to connect the residents of the San Francisco Bay Area to local nature so they care about and take action for the natural world. We believe that the more people learn about and are inspired by nature, the more they see themselves as stewards of it. Through *Bay Nature* magazine and baynature.org, we publish award-winning environmental science and conservation stories that bring people closer to the natural world.

Bay Nature Local Hero Awards: The Local Hero Awards is an annual event honoring "local heroes"—four special individuals who are helping protect local nature and connect people to the Bay Area's natural world. Each year 250 nature advocates, outdoor enthusiasts, and conservation nonprofit and agency leaders come together to celebrate Bay Nature's Local Heroes. Guests enjoy an hors d'oeuvres reception, elegant sit-down dinner, a nature-themed auction and presentations by each of the honorees.

Berkeley City Club: The Berkeley City Club, also known as the "Little Castle," was designed by renowned local architect Julia Morgan and built in 1927 as a women's activity center. This beautiful building, located at 2315 Durant Avenue in Berkeley, is listed on the National Register of Historic Places and is well worth a visit.

Sponsorship: We invite you to sponsor the Local Hero Awards celebration, to honor our Local Heroes, help cover the costs of the event, and to help keep Bay Nature publishing.

Bay Nature Local Hero Awards 2020
