Bay Nature's 2022 Local Hero Awards

*Sunday, March 27th, 2022 from 2-5pm**
David Brower Center, Berkeley, CA

*We look forward to celebrating with you in-person this Spring! Please note we have the flexibility to switch to a virtual celebration in the event of a change in public health conditions.

Every year, the Bay Area nature and conservation community comes together to celebrate a handful of amazing individuals—activists who, through their passion for the natural world, are making a difference in our precious Bay Area environment.

Due to public health and safety measures, [the past two events](#) have been virtual. This year, we look forward to celebrating with you in-person. At this year's local hero awards, guests will enjoy a presentation by each of the heroes followed by a lively reception with drinks and hors d'oeuvres.

In anticipation for our return to an in-person event, Bay Nature invites you to be a part of this celebration by becoming an individual sponsor. By becoming a sponsor, you join the ranks of Bay Nature's top supporters who have made it possible for us to honor 39 heroes over the past 11 years.

Bay Nature's mission is to connect the people of the San Francisco Bay Area to our natural world and motivate people to solve problems with nature in mind. We believe that the more people learn about and are inspired by nature, the more they see themselves as its stewards. The year 2022 celebrates the 12th year of the Bay Nature Local Hero Awards and the 21st year of publishing *Bay Nature*.
