

Individual Sponsor Invitation
Celebrate 25 Years of Bay Nature

Sunday, April 12, 2026, 2:00-6:00 pm
Golden Gate Club • The Presidio • San Francisco, CA

We're thrilled to announce a major milestone: Bay Nature turns 25! And we're celebrating in style – surrounded by breathtaking views and hundreds of friends who care deeply about the future of the San Francisco Bay Area's natural world.

This unforgettable afternoon will bring together more than 300 conservation leaders, policymakers, scientists, educators, nature lovers, and outdoor enthusiasts for a high-energy celebration of everything that makes the Bay Area's environmental community extraordinary.

Expect an inspiring program, big moments, and a lively reception with drinks, hors d'oeuvres, and nonstop conversation with people who share your passion. Bay Nature invites you to be a part of this celebration by becoming an individual sponsor.

As a sponsor, you'll stand with a community that has helped make Bay Nature a trusted voice in environmental storytelling for 25 years. Your support fuels our next chapter — empowering award-winning journalism, deeper community engagement, and meaningful connections between people and the natural world.

Through its 100 issues, Bay Nature has grown into a vibrant community dedicated to exploring and protecting the lands, waters, and wildlife that define our region. This celebration is a moment to honor that journey — and to launch our next chapter.

Be part of Bay Nature's 25th anniversary. We can't wait to celebrate with you.

Sponsorship benefits follow on the next page. Commit early for maximum impact!
